Docker Sacramento adheres to the Pycon Code of Conduct

We value the participation of each member of the Python community and want all attendees to have an enjoyable and fulfilling experience. Accordingly, all attendees are expected to show respect and courtesy to other attendees throughout the conference and at all conference events, whether officially sponsored by the Python Software Foundation or not.

To make clear what is expected, all staff, attendees, speakers, exhibitors, organizers, and volunteers at any PyCon event are required to conform to the following Code of Conduct. Organizers will enforce this code throughout the event.

> **Docker Sacramento is dedicated to providing a positive meetup experience for everyone, regardless of age, gender identity and expression, sexual orientation, disability, physical appearance, body size, ethnicity, nationality, race, or religion (or lack thereof), education, or socio-economic status.**
